

## We're working together for better business

We all know just how valuable the right partner can be in business. Working together helps get results and a reliable partner makes all the difference when it comes to succeeding at every level.

It's for this reason that Electric Ireland and Chambers Ireland have teamed up to offer all affiliated Chamber members discounts on your electricity.

Electric Ireland's dedicated business team will be happy to provide you with any help and advice you need on your energy usage and are committed to bringing you the best customer service available.

Please quote the code EICHM12 when calling us. Alternatively, contact your local Chamber through [www.chambers.ie](http://www.chambers.ie)

## Exclusive offer for Chamber members until 30th November

- ✓ 17% discount for new and existing customers until November 2014
- ✓ Exclusive to current and new members of affiliated Chambers
- ✓ Exclusive to members who are supplied at general purpose or Duos Group 5 level

### It would help if you had the following to hand when calling us:

- Your electricity account number and your MPRN number, both of which you can find in your electricity bill
- Your latest electricity meter reading
- Your last two energy bills
- Your bank/building society account number and sort code

\*Terms and conditions apply. Electricity discount is based on current Electric Ireland standard electricity unit rates. Direct Debit and a two year contract are mandatory for the discount to apply. Discount excludes VAT and PSO levy.
